

Hello,

This letter is to inform you of a voluntary recall of the following product you may have received via your fundraiser order:

- **2lb Frozen Strawberry Polybag, Lot code 255 811, Best by of September 11, 2020**
  - See below product label
- This recall has been initiated due to an FDA random surveillance product sampling that identified Hepatitis A was found in one of three samples of one 2lb strawberry polybag.
- A small portion of the strawberries sold through our fundraisers are affected, so yours MIGHT be okay.
- Please check any 2lb Strawberry Polybags you purchased through your fundraiser for the above lot code (255 811).
- **If you have the affected lot, you can *either* destroy the product *OR* heat the berries above 185 degrees for more than 1 minute to kill any pathogen that may exist.**
- **Also, if you received the affected lot, please complete and return the enclosed Customer Response Form as soon as possible. Please let us know how much you paid for your fruit as well as a mailing address so that we can issue you a full refund.**
- Email a photo of the completed Customer Response Form to [customerservice@wvpie.com](mailto:customerservice@wvpie.com), OR mail a hard copy to "WVPC Recall, 1651 Eska Way, Silverton, OR, 97381."

If you have any questions, please call us at 503-873-7437, we're very sorry for this issue.
