Garden Club

If you have extra gardening tools such as hoses, shovels, rakes, pruners, soil, etc., please consider donating to our school's gardening club!

Classroom Questions and Concerns

Parents please send your questions or concerns to your child's teacher by email or via a note in your child's planner. If you would like to meet with your child's teacher, please call or stop in the office to set up an appointment by letting our school secretary, Miss Mikayla, know the dates and times you are available. Once Miss Mikayla has confirmed a time, she will give you a call back. Meetings are typically scheduled after school due to teachers needing the early morning time to prepare for the day.
